AWNINGS.

PROPESALS FOR BUILDING AN IRON SECTIONAL BALANCE DRY DOCK.

NAVY DEPARTMENT, Sealed Proposals, indorsed "Proposals for Building of Iron Sectional Balance Dry Dock," will, be received at the Navy Department until 12 o'clock mon the 15th day of September next, from dry dock builders, monfacterers and mechanics acquainted with that kind of work, for furnishing the materials for, and the building of, two sections of an Iron Sectional Balance Dry Dock at the Navy Fard, Penacola, Florida.

Said dock to be created and used in a basin in said yard 356 feet in length and 10 77-100 feet in width.

Each section thereof to be of about the following dimensions, viz: Width, 108 feet; length, 35 feet 5 inchez; depth 11 feet; and to have a displacement above its own weight, when completed, ready for use, of about 500 tons.

The general plans and specifications for the whole of this dock have been adopted, and may be seen and examined at the Navy Department. These plans and specifications for the whole of this dock have been adopted, and may be seen and examined at the Navy Department. These plans and specifications for the whole of this dock have been adopted, and may be seen and examined at the Navy Department. These plans and specifications for the dock, not as guaranteeing its strength, capacity and successful operation. But the contractor must assume and approve them to that extent, and will be himself held responsible that they are sattable and sufficient for the purpose desired, and also for the strength, capacity and successful operation. But the contractor must assume and approve them to that extent, and will be himself held responsible that they are sattable and sufficient for the purpose desired, and also for the strength, capacity and successful operation of the dook of six sections, with a vessel of 3,250 tons weight upon it, is one hour.

The contractor will also furnish, for one section, called the engines and bollers will be premitted and by the Department.

The contractor will also furnish, for one section, cal and support of the superintendent appointed by the specific points East daily.
